MEMORANDUM FOR: Chief, Career Training Program

l. Career Trainee was assigned to my staff for the period of one month ending 11 July 1969.	25X1
ground historical paper on to serve as an intro-	25X1 25X1
I made this specific assignment because in the short period of time would not have been able to research actual operational activity and also because with educational background I concluded that	25X1
he would be particularly well prepared for the general historical research necessary to complete the assignment I made.	0
2. The paper he completed was excellent, mature, accurate, and written in an interesting and intriguing style. In order to accumulate the information necessary	
he applied himself diligently and persistently to accomplish all the reading necessary. He worked under crouded conditions but we found that it was a pleasure to have him with us.	je je
3. In my opinion, assignments of this nature, even though short in duration for particularly well qualified Career Trainees, will benefit not only the historical program but the trainees themselves and I would recommend that on a carefully selected basis this type of assignment be continued with others in the future.	25X1
